NEA Grievance:

Julia Kirkland submitted a grievance through the Nashua Education Association in regards to pay for additional duties during contracted hours. She commented and said that it is unfair that other teachers have been paid in the past to drive for athletics during their contracted hours, but some of her hours have not been paid this school year if they were prior to 4:30pm. Marisa looked back at driver claim forms back to the 21-22 school year and referenced leave times for each date that was driven. Since the 21-22 school year, one teacher was paid by a prior clerk for 3 hours during contracted time.

Sharon entertains motion – no motion. Sheila made a motion not to pay. Patti 2nd. Vote: 3-0
