

NASHUA SCHOOL BOARD DISTRICT 13E
REGULAR MONTHLY MEETING

Tuesday, September 10, 2024

6:00PM

Call Meeting to Order: Vice-Chairperson Mark Bengochea

Pledge of Allegiance

Roll Call: Patti Sibley, Kayla Thievin, Sheila Miller, Mark Bengochea, Michele Fromdahl (absent)

Other: Sue Hoyer, Marisa Collins, Meagan Wersal, Roger Trang, Kassidi Knuchel, Dexter Thiel, Verlin Borgen

Correspondence: The Board received a letter from County Commissioner Paul Tweten in regards to the North bus route and his concerns about the dangers of the turnaround area. He asked for consideration to approve a turnaround area in Thievin's yard since it is at the end of the route.

Superintendent's Report

- Sue received a certificate from OPI for the Title Audit. All findings were remedied.
- Required disaster drills (fire drill and bus evacuation drill) were completed last week.
- 7-12 IEP case manager was on site September 6.
- Interquest Detection Canine (drug dog) was in the building on September 5. Sue re-established a relationship with company to provide this service.
- 4 teachers did a virtual training for EdReady through OPI for English/Math for grades 5-12
- 2 pre-service teachers from MSU rural pathways program were here in 1st and 5th grade.
- volleyball season started with first home game on September 6.
- Mid-Term September 19
- Sue's university supervisor will be on site September 26
- Mark Mindt - Koda Warrior for Indian Education For All scheduled.

Old Business

- **Roof Report – Thiel Brothers**

Dexter Thiel discussed a black rubber EPM, a successful roof system for all conditions. 45mil,60mil,75 or 80mil products, urethane based coating (great adhesive, stretches with membrane, 20-25 mils per coating, dries at 50%, scrim in middle to prevent stretch), process is using a floor scrubber type machine, shows problem areas, add 10-15 years to
