Volleyball Season Ends at Districts

The Lady Porcupines had a rough season, to say the least. Heading into districts, the Porcupines had a conference record of 3-8 and an overall record of 5-9. The girls were matched up with the eighth ranked team, the Froid-Medicine Lake Red Hawks. Nashua had played their best volleyball of the season against the Red-hawks, but the Porcupines came up short, losing 3-1 at the District 1-C Tournament at Sidney.

Froid over Nashua, 12-25, 26-24, 18-25, 20-25.

Nashua's loss dropped the team into the loser bracket to face the loser of Richey-Lambert and Culbertson. Richey-Lambert, surprisingly, defeated Culbertson in five games, which matched up the Porcupines with the Cowgirls.

The Porcupines had a tough loss to the Cowgirls, dropping all three games. The girls had to throw in new players and had to switch up the rotation against Culbertson.

Culbertson over Nashua, 25-12, 25-15, 25-8. The double elimination tournament sent the Porcupines home, ending their season for 2010.

The girls then played Hinsdale/Saco and defeated them 19-8. Leading scorers for the Porcupines were Shae Fisher with seven, MyKayla Lauckner with six, Ziggy Chamberlain, Natasha Chamberlain, and Chy Ann all added two.

Spirit and Spiders

We had a lot of people that participated in Spirit Week. Our class won for all wearing the same color. Smelly pencils were a great reward as we've been doing a lot of work.

We've been learning about spiders. One got loose in our classroom on Halloween and we had to undo its web. It took us awhile as it was life size.

We enjoyed our party. Now we are looking forward to Thanksgiving.

First Grade Certifies Junior Fire Marshals

The children learned ways to stay safe from fire. They learned more about smoke alarms. The students know how to get low and go if there is smoke in a building. They also realize how important it is to get out and stay out of a building that is burning. Everyone should have a plan and recognize how to get outside to a meeting place, no matter if it is at home or school.

2010 Cheerleading

This year Nashua has five new cheerleaders, Taylor Trang, Lacey Fortin, Darbi Borgen, Cassidy Dahl, and the mascot Ryan Dahl. The five of them have been working extra hard to learn the cheers for the basketball season. From the sounds of it, they have all the cheers down and are ready to go. Mrs. Trang, the head advisor, said, "this year's group of cheerleaders have a lot of enthusiasm, pep, and are very loud. They will add a lot of spirit to this year's basketball program".

The girls are very excited about the new uniforms. The five of them are going to make cheering for the boys and girls extra exciting this year.

Nashua Students Attend Wolf Point Career Fair

On Wednesday November 10, Nashua and a number of other schools were invited to a career fair held at the Wolf Point High School. It was the freshman and sophomore classes that went. Every student was assigned two classes and then would go the gym, which was filled with all sorts of booths from different colleges, and businesses from around the area.

They also had the students play a bingo game where they would have a bingo card with all of the businesses and colleges on it and they would go around, pick the ones that interested them, and have the people who ran the booth sign their bingo card so they could make a bingo. The students could sign up for prizes, too. At the end of the fair, they announced the winners.

Afterwards all the students went to the cafeteria for lunch. All the schools that participated were Nashua, Frazer, Poplar, Brockton, and Culbertson.

Big Thanks to JMG...

On Friday, October 15, the third grade class had a surprise when they went to counseling with Miss Rovik. They got to decorate a pumpkin for Halloween with the help of Miss Rovik's JMG students!

The jack-o-lanterns were used for decorations at the high school dance that weekend. Then the third graders got to take them home, complete with a little electric candle. It was a kind of messy but really fun counseling class that Friday! A big thank you goes out to Miss Rorvik and her JMG class.!
