Homecoming

February 5 brought plenty of excitement to the school. In addition to senior night, the homecoming king and queen were crowned. After the senior boys and girls lined up on the floor, the lucky duo was announced. Taylor Trang was elected the 2011 Homecoming Queen and Dillon Fisher was elected the 2011 Homecoming King. The game against Scobey was a tough one, but the Spartans came out on top. Due to this tough loss, not many people were in the mood to go to the dance. The dance however, rocked!

Fifth Graders Honored for Creative Art Work

Taylor Laumeyer and Sophia Koessl participated in the Montana agriculture bumper sticker contest. Taylor's title was Montana's wheat is healthy to each, and Sophie's title was Montana's wheat-can't be beat! Taylor moved on to state and she got two five dollar coupons to the movies. Sophie's didn't get moved on, but she also got two five dollar coupons to the movies.

It was fun to draw a slogan for Montana Ag. It was a good experience.

Happy 100th Day

The third grade class celebrated the 100th day of school on Wednesday, February 2. First, we went to the lunchroom. We got red and white dough from the cooks. The class got to decorate the cookies. Then we gave them back to the cooks to bake. Later the class did two 100 day worksheets. Next the class put puzzles together. They were 100 pieces puzzles.

The third grade did the puzzle in groups. Mrs. Guenther took pictures of us. Finally we got to eat our cookies. The 100th day was fun and yummy.
